Work Experience

1. Instructional Designer (LMS-Developer)/ Coforge: 2024 – Present

- Developed data-driven learning modules based on knowledge management and interactive e-learning courses (SCORM, Lumi, Moodle, H5P, iSpring, Articulate Storyline) to optimize learning outcomes.
- Led and collaborated with a team of SMEs to create high-quality, engaging learning content.
- Created performance dashboards for data analysis, driving continuous improvement in learning systems.
- Trained SMEs, empowering them to design impactful and efficient learning experiences with CMS
- Designed visually engaging courses using Canva, HTML, and innovative storylines, integrating ADDIE model and SCORM packages seamlessly.

2. Instructional Designer/ L&D specialist/ Team Lead / THINK & LEARN PVT. LTD. : 2020 – 2024

- Conducted need assessments and analyzed learning objectives to design effective learning experiences.
- Developed engaging content for online educational materials, lesson plans, instructional videos, and assessments.
- Led a team of about 40 educators and content developers, providing guidance and support to ensure high-quality deliverables.
- Collaborated with cross-functional teams, including content developers & graphic designers, to design and implement effective pedagogical approaches
- Effectively managed multiple projects simultaneously, ensuring timely completion and adhering to quality standards.
- Have delivered 1000+ LIVE sessions for K10 segment.

3. Office Manager / Top Notch Security & Allied Service : 2018 – 2020

- Have maintained the Office data including Attendance, Advances, Services and form registers
- Creating Dashboard for the bill generation, for tenders and Monthly Acquittance Roll.
- Creating monthly Form T, ESIC and EPF uploads on the government sites

Achievements

- State Level DDG Commendation NCC Army award in 2017
- Best Consistent performer award at BYJU's in 2021, 2022 and 2023
- Youth Division Head of the NGO named Akaanksha Charitable Trust
